

## PLANTAFLO SOIL FOR ROSES // GERMANY

---

### Practice

- ✓ Ready-to-use soil for roses
- ✓ This special soil contains all the nutrients important for plant growth

### Composition

White peat + black peat + sand + NPK fertiliser

### Structure

Medium

### Chemical properties & soluble plant available nutrient elements

pH value (CaCl <sub>2</sub> )	5,2 - 6,0
Salt content (KCl)	approx. 1,4 g/l
Nitrogen (N)	120 - 210 mg/l
Phosphate (P <sub>2</sub> O <sub>5</sub> )	120 - 210 mg/l
Potassium oxide (K <sub>2</sub> O)	170 - 300 mg/l

### Packaging units

- ✓ 40 litres
